THANK YOU TO OUR  
SPONSORS

## A MESSAGE FROM OUR SPONSORS

Dear attendee,

On behalf of our fantastic Major Sponsor, nib Nz Limited, and exhibitors, we would like to thank you for being part of the 2020 Auckland Corporate Health & Wellbeing Summit. We are all so glad that you're here and we want to make your experience the best ever.

Our partners have put a lot of consideration and care into providing solutions to complement the content you hear on stage. Visit with them for ideas to strengthen your own company's wellness journey, for initiatives to implement back in the workplace, or maybe just to meet someone with similar interests to your own in the Corporate Wellness Space. They'd love to meet you.

We know that you demand quality, that any sourcing decision will reflect on you and your team. That's why we only partner with the best. Companies whose values align with ours and yours, and who you can rely on to exceed your expectations. We hope you enjoy meeting them and discovering how their products, services and facilities can help you be the best.

Our exhibitors have some fantastic prizes on offer. All you need to do to enter is visit each stand to have your name badge scanned to go into the running for that stand's prize. Please note: by doing so, your contact information may be used by that exhibitor to contact you with regards to the event, as well as future communications. Your information is not passed to 3rd parties. For ThinkTank Media's full privacy policy, please see our website as below.

Most importantly, enjoy the day!

All our best,

The ThinkTank team and our incredible partners

## HOW PERK CAN HELP YOU

Employee engagement and benefits package. The Package is realised as an app and web platform that can integrate seamlessly with our customers diverse technology solutions, systems and cultures.

## ALL ABOUT PERK

How do you communicate most effectively with your employees? What are the most staff engaging parts of your business? What does an engaged and valued business culture look like?

At it's simplest, Perk is an employee benefits and engagement platform. We use technology to connect with employees through channels that best fit your people. Our Mobile based system brings basic conferencing, communications, newsletters, work events, policies, benefits and many other functions to your fingertips. We work with our customers to create a mobile system that is fully customised and suited best to the way they operate. We have a wide range of experience that allows us to meet organisations where they are and deliver an excellent set of services that suits each unique business. Best of all, we wrap it up in a sleek design that has employees looking forward to seeing your brand on their devices.

To refresh the way your staff see employee benefits come and talk to us today.

## HOW MOLEMAP CAN HELP YOU

We will show you an affordable, non-disruptive way to provide employees with checks and seminars that empower them to take control of their health.

## ALL ABOUT MOLEMAP

Molemap can come to your workplace and conduct skin cancer education seminars and skin checks. Alternatively, staff can visit any of our 40 clinics around NZ. We can tailor a skin screening programme to meet any budget. Molemap takes care of all the bookings, admin and provides you with a non-identifiable report following the screening to give you data around the total numbers screened and clinical findings.

Our focus is on early and accurate skin cancer detection. Our skin check and Molemap services are head to toe, as skin cancers can present on non-exposed areas. The cameras we use at Molemap enable us to look deep under the layers of the skin so we can catch skin cancer early when it is most treatable. It is great peace of mind for your employees.

Come along and visit us, learn more about skin cancer and the signs to be looking out for when checking your own skin, get a spot looked at by a Molemap Melanographer and also find out more about what we can do for your employees and wellbeing programme.
