Empower Communities Day

"The difference the Aon team has made is amazing. Thank you for supporting the Leukaemia Foundation's vision to cure and mission to care." – Rebecca Barber, Leukaemia Foundation WA

"Please pass on my thanks on behalf of Endeavour Foundation to all the volunteers who took part. Their efforts across a number of our facilities provided a welcome boost to those we support, enabling them to engage with individuals they normally wouldn't have the opportunity to work alongside whilst making them feel part of every day society." – Mick Dwane, Endeavour Foundation QLD

"Just a big thanks for helping us to coordinate some amazing volunteers to help out at our Winter Wonderland event over the weekend. We just wanted to thank you for your ongoing support!" - Katherine Browne, CREATE Foundation, WA

Tips & Tricks

"Again, you can't connect the dots looking forward; you can only connect them looking backwards. So you have to trust that the dots will somehow connect in your future. You have to trust in something - your gut, destiny, life, karma, whatever. This approach has never let me down, and it has made all the difference in my life."
