SUMMIT

Thank you for being part of the Corporate Health & Wellbeing Summit in 2023. We are dedicated to ensuring that you and your team have a positive and memorable experience, and that your involvement delivers maximum benefit for your organisation.

As part of the summit, we are keen to encourage exhibitor and delegate interaction. If you could please fill out the below questionnaire, we will make this information available to all delegates on the day, including through our holding slides in the conference room and by the MC.

****Please return this completed survey by: Monday 16 October 2023**

To provide incentive for delegates to engage with your stand at the summit, we run a sponsor prize draw. What prize would you like to donate to the sponsor prize draw? (Previous prizes include spa gift vouchers, hampers, services offered by sponsor organisations and hotel stays)

Please explain in 30 words or less why delegates should visit your stand on the summit day, including why your organisation is relevant to them and how you can benefit them:

Would you like to provide a special offer to delegates following the event? Post-event offers will be promoted in the thank you email to all delegates. If so, please provide details about your offer and how delegates can access it. (Previous offers include discounts and complimentary add-ons when purchasing sponsor organisations' goods and services)

We find that the sponsors who get the most out of the summit are those who have an interactive or experiential element to their stand. If you are hoping to get an edge on the summit day, please feel free to contact our team and we would be happy to brainstorm a suitable solution for you! (Previous sponsors have used interactive elements such as smoothie bikes, claw machines, games using tablets/iPads and product demonstrations). If you have any initial ideas, please list them below.
